

COUNCIL OF EUROPE LANDSCAPE CONVENTION
LANDSCAPE AWARD OF THE COUNCIL OF EUROPE

9th Session – 2025-2026

APPLICATION FORM

State Party: XX

Presentation

The Council of Europe Landscape Convention is the first international treaty to be exclusively concerned with all aspects of landscape: natural, rural, urban and peri-urban. It represents an important contribution to the implementation of the Council of Europe's objectives. By taking into account the value of landscapes, with their natural and human components, the Council of Europe acknowledges that the landscape is an important part of the quality of life for people everywhere: in degraded areas as well as in areas of high quality, in areas recognised as being of outstanding beauty as well as everyday areas.

The 4th Summit of Heads of State and Government, held in Reykjavík on 16 – 17 May 2023, recognised “the urgency of additional efforts to protect the environment, as well as to counter the impact of the triple planetary crisis of pollution, climate change and loss of biodiversity on human rights, democracy and the rule of law.” It committed the Council of Europe to strengthening work on the human rights aspects of the environment and initiate the Reykjavik process of focusing and strengthening the work of the Council of Europe in this field, as laid down in Appendix V of the Reykjavik Declaration on “The Council of Europe and the environment”.

Appendix V of the Reykjavik Declaration references the Landscape Convention to highlight that “landscape has an important public interest role in the cultural, ecological, environmental and social fields and is a key element of individual and social well-being, and that landscape protection, management and planning entail rights and responsibilities for everyone.”

Article 11 of the Convention establishes the Landscape Award of the Council of Europe. The Resolution CM/Res(2008)3 on the rules governing the Landscape Award of the Council of Europe, adopted by the Committee of Ministers on 20 February 2008 at the 1018th meeting of the Ministers' Deputies, draws attention to the fact that Article 11 of the Convention institutes the Award and that it is in keeping with the work carried out by the Council of Europe concerning human rights, democracy and sustainable development.

Opened to the Parties to the Convention, the Award is intended to raise civil society's awareness of the value of landscapes, of their role and of changes to them. Its objective is to reward exemplary practical initiatives aimed at successful landscape quality objectives on the territories of the Parties to the Convention. The Award is conferred every two years and the files presenting applications must reach the Secretariat General of the Council of Europe.

At its meeting held in Strasbourg on 28-29 April 2008, the Steering Committee for Cultural Heritage and Landscape (CDPATEP) decided that applications should be submitted to the Council of Europe Secretariat through the Permanent Representations of the Parties to the Convention.

Each State Party to the Convention is thus invited to send by post to the Secretariat General of the Council of Europe (Council of Europe Landscape Convention), no later than 31 December 2025, via its Permanent Representation to the Council of Europe, a completed application form in paper format, together with a digital copy on a USB key of the form and additional material.
