

Qorshaha dib u furid oo tartiib-tartiib ah

Qiimayn guud oo ku salaysan qodobbo gaar ayaa la samaynaya ka hor inta aan heer kale oo debcin ah loo gudbin.

Heerarka tallaabooyinka ee ku jira khaanadaha ayaa sharraxaya xeerarka jira kaddib marka tallaabooyin la debciyo.

Inkastoo la debciyo tallaabooyinka heerka qaran ah, waxa laga maarmi doonin in dilaacitaanka cudur ee maxalliga ama heer gobol ah lagula dagaallamo tallaabooyin maxalli ah ama heer gobol ah.

Waxa lagama maarmaan noqon kara in wax laga beddelo heerarkan, waxaana dhici karta in laga maarmi waayo in dib loo adkeeyo tallaabooyinka inkastoo lagu jiro muddada dib-u-furidda bulshada.

Debcinta tallaabooyinka waa in lala xiriiriyo shahaadada koroonada iyo tijaabo-qaadista wadareed oo iman kara.
