Changes in the State's Direct Ownership - Overview from January 1, 2002

The State's direct ownership includes companies where the State's ownership is managed directly by a ministry. This overview includes divestments, acquisitions, establishments, and liquidations/bankruptcies in the State's direct ownership from January 1, 2002. Amounts from transactions conducted in a market are specified. The overview does not include capital contributions, share buybacks, and other transactions where the State's ownership share remains unchanged.

We reserve the right to correct errors and omissions. If you find any errors or omissions, feedback can be sent to:postmottak@nfd.dep.no.
