

17

**Company interests in fields
and production licences**

The company's share in a field in production/discovery is followed in brackets by the production licence(s) which embrace that field/discovery. The company's interest in the separate production licence(s) is shown for discoveries where the area is not unitised. Operatorships are indicated with an *. Interests are shown at 1 January 2003.

Aker Energy AS

An interest is held in the following production licence: 270

Amerada Hess Norge A/S

Fields:		
Hod	25.00%	(033)
